big time benefits  
of chamber  
membership

## **Make More Money**

Lower your overhead and boost margins with immediate access to preferred Member pricing on health and disability insurance, office supplies and discounted seasons passes through our Spirit Program.

## **Marketing Opportunities**

Business success is often a function of your visibility in the local market – and beyond. We highlight our Members in local press releases, nominate them for awards and connect them to key business networks that help them grow.

## **A Strong Voice for You**

We speak up for our Members with an independent voice. We're hardworking advocates for Whistler business, championing important issues like streamlining the visa process and helping ensure our community secures festivals and events that support Whistler business.

## **Affordable Training & Development**

Leverage Members-only pricing for top-notch training to develop you and your team. Members can access exceptional training content for as little as \$50.

“

*"The Chamber's renewed focus on really fresh, innovative and leadership-oriented learning opportunities has given me and my team a whole new set of options for professional development."*
