

How to register yourself for The Whistler Experience

In order to register you will need to go the [Whistler Experience login page](#).

- If you have had a Spirit Pass before, you can login with your credentials.
 - If you are new to the Whistler Experience program, you will need to create an account. For issues regarding passwords/login information please email whistlerexperience@whistlerchamber.com

Once logged in, you will choose and pay for a training session.

- Ask your employer if they are paying for your \$40 participation fee, or any training fees.
- If your employer is paying for any fees, they will need to contact whistlerexperience@whistlerchamber.com

- In order to get your Spirit Pass you will need to be **approved** by your employer.
 - Your Whistler Experience Administrator will get an email once you have completed your training, allowing them to approve you.

If you are paying for your own pass:

Once you are approved and have completed your training, you will be provided with a Whistler Experience Number.

- This is the number you bring to Guest Relations at Whistler Blackcomb, and they will sell you a Spirit Pass.
- Your employer does not have the right to hotlist your pass if you pay for it yourself. Your pass can only be hotlisted if you leave/quit your job.

If your employer is paying for your pass:

- Once you register and complete your training, your Whistler Experience Administrator will login and approve you as an employee and select 'employer paid' as your pass type.
 - Your information is then sent to Whistler Blackcomb, and you will receive an email when your pass is ready to be picked up. This can take up to 72 hours.
 - Your employer has the right to hotlist your pass if you call in sick, and they have the ability to see if you were on the mountain.
