Chamber

GROW YOUR NETWORK. BOOST YOUR VISIBILITY. ELEVATE YOUR BUSINESS.

You've worked hard to build your business — now let the Whistler Chamber help take it further. Whether you're just getting started or leading a large team, our membership options are designed to meet you where you are and help you thrive. Unlock exclusive resources, make powerful connections, and amplify your presence in the Whistler business community.

SOLO

(for solopreneurs only)

This tier is built specifically for entrepreneurs who are flying solo. You'll gain access to select benefits designed to help you connect, grow, and stay supported — including group health insurance, member pricing on Chamber events and training, and the chance to build meaningful relationships within the local business network. Does not include access to the Whistler Experience® Program.

BUILD

(best for businesses with up to 30 employees)

As your business grows, so do the opportunities. The Build tier offers a wider range of benefits that help you promote your brand, recruit top talent, and take advantage of money-saving programs. You'll also gain access to the Whistler Experience® Program, including Spirit Pass eligibility, and the ability to post on the Chamber Job Board.

GROW

(Ideal for businesses with up to 50 employees)

Designed to boost your brand visibility and connect you with the broader business community, the Grow tier opens the door to more strategic promotional opportunities. This includes online exposure, advertising credits, sponsorship access, and preferred hosting opportunities for our popular Chamber Après events.

INFLUENCE

(Tailored for businesses with 100+ employees)

Position your business as a key player in Whistler's economic landscape. The Influence tier offers premier recognition and partnership opportunities, including logo visibility on the Chamber website, preferred event sponsorship with credit, and guaranteed inclusion in Chamber event materials — all while aligning your business with local advocacy efforts and high-level networking.
